FROM: Yolanda Alonzo, Poster Contest Chair

We would like to invite the students at your school/district to participate in the annual poster contest, sponsored by the Kern Association of Educational Office Professionals. The contest theme is "What I Like Best About My School." This contest will challenge the students in grades K-5 to design a poster, possibly win a cash prize, and acknowledge your school.

Submitted posters will be reviewed by the Board of Judges consisting of local qualified individuals in the field of education and art. Cash prizes will be awarded to winners.

Enclosed is a flyer with details regarding the poster contest, along with the entry certification form to secure to each poster submitted. Please feel free to duplicate both forms as needed.

Thank you for helping us to honor Kern County students. If you have any questions or need additional information, please contact me by calling (661) 827-3168, or e-mail me at [yolanda\\_alonzo@khsd.k12.ca.us](mailto:yolanda_alonzo@khsd.k12.ca.us)
